**Approval of Minutes**

Councilwoman Salafia moved approval of the minutes from the February 14, 2019 regular meeting. The Motion was seconded by Councilman Daley. The MOTION passed unanimously.

**New Business:**

**A. Ordinance – Plastic Bag Ban (Chapter 253 Article IV)**

Attorney Wisneski introduced the ordinance. She explained that Kim O'Rourke and Maria Holzberg brought this to her attention. Kori called several towns and talked to numerous attorneys regarding this issue. Westport seems to be leading the way and approximately 7 towns in Connecticut have banned plastic bags. Councilwoman Salafia had a question regarding the time frame that the fee would go into effect. Kori explained that the ordinance would go into effect 6 months after the date of its adoption to give stores enough time to go through their inventory of bags and for Kim, the Public Works Department, and others to do community outreach on this topic. More discussion ensued and Mary suggested that we possibly look into offering reusable bags made from recycled materials.

Councilman Daley made a MOTION to approve the ordinance. The Motion was seconded by Councilwoman Salafia. The MOTION passed unanimously.

**Other**
