

2020 Plan of Conservation & Development Listening Sessions

OVERVIEW

Local efforts are underway to update the City of Middletown's Plan of Conservation & Development (POCD), which will serve as a guide for future growth and development in Middletown. The POCD will be based on our community's vision to set the goals, values, and strategies that will serve as the framework for future decision-making.

The process is overseen by staff and a Steering Committee made up of community members, the Planning and Zoning Commission, East-Hartford based consultant CME Associates, Inc. and The Connecticut Economic Resource Center, Inc. (CERC).

UPCOMING LISTENING SESSIONS

Sessions will be held as part of the Middletown Planning & Zoning Meetings at Middletown City Hall, 245 deKoven Drive, Middletown, CT 06457.

Wednesday, July 10, 2019, 7:00 p.m. – Sustainability and Infrastructure

Wednesday, July 24, 2019, 7:00 p.m. – Economic Development and Riverfront Revitalization

Wednesday, August 14, 2019, 7:00 p.m. – Environment and Conservation
