Recycling Schedule

**IMPORTANT RECYCLING REMINDER**

Due to market conditions, it is more important than ever that only **ACCEPTABLE RECYCLABLE ITEMS** be placed in recycling carts. The Sanitation District gets charged for all unacceptable materials. Therefore, staff will be monitoring bins more closely, refusing pick up of recycling containers that are contaminated with unacceptable items and assessing fines to property owners for carts and dumpsters that contain unacceptable items.

Please make the extra effort of knowing what goes in your recycling cart and instructing your tenants and staff. Information can be found at www.recyclect.com or <https://www.middletonct.gov/190/Recycling>.

Large pieces of corrugated cardboard should be flattened and bundled and placed next to your recycling cart. The large pieces can get stuck and stop the cart from emptying. A second truck will come and pick up the cardboard pieces.
