## **PRESS RELEASE For Immediate Release**

April 4, 2008

# # #

Mayor Sebastian N. Giuliano has announced that due to the proposed Sanitary Sewer Repairs at DeKoven Drive and Washington Street, the section of Washington Street between Main Street and Route 9 will be closed for the duration of the project to through traffic between April 11 and April 16, 2008 weather permitting. Construction will consist of trenching and installation of replacement storm main, sewer main and associated appurtenances throughout this section of roadway. Local traffic to properties on Washington Street and DeKoven will be allowed through Melilli Plaza, but motorists should expect delays during this construction.
