

Recycling@ City Hall

While most items can be recycled at your curb, there are some that are more difficult to recycle. These must be brought to City Hall to recycle. Receptacles for these items are located on the second floor. Some of these items, such as cell phones, can be brought to other places for recycling or can be donated to certain non-profit organizations as well.

Public Works (Room 210)

Alkaline batteries
CDs, DVDs
Cell phones*
Floppy disks
Toner cartridges

CFLs

Box on the second floor

*Ask for the cell phone recycling flyer for more locations to recycle cell phones.
