Supervisor of Purchases

INFORMATION FOR BIDDERS

1. Date and Place for Opening Proposals - Pursuant to the "Invitation to Bidders", sealed proposals for performing the work will be received by the Purchasing Office, at the time and place set forth therein with the award to be made as soon as practicable thereafter.

Bids received prior to the date set for receipt will be securely kept sealed. All bids received by the time set for receipt will be opened by the Purchasing Supervisor and read publicly at the exact time set for receipt irrespective of any irregularities therein. Bidders, their representatives any interested public may be present.

2. Printed Form for Proposals - All proposals must be made upon the blank proposal form as attached hereto; should give prices both in words and figures; must be signed and acknowledged by the bidder where indicated on the proposal form; submitted in a sealed envelope using the bid return label provided.

3. Omissions and Discrepancies - Should a bidder find discrepancies or omissions from the Contract Documents or should he doubt their meaning, he should immediately notify the Supervisor of Purchases who may send written instructions to all bidders.

4. Acceptance or Rejection of Proposals - The City reserves the right to accept or reject any or all proposals. Without limiting the generality of the foregoing, any proposal which omits a bid on any one or more items on the price sheet may be rejected; any proposal containing changes or modifications to the price sheet may be rejected; any proposal that does not include unit pricing in the unit of measure indicated may be rejected; any proposal in which unit prices are omitted or in which unit prices are obviously unbalanced may be rejected.

5. Acceptance of Proposals and the Effect - Within thirty (30) calendar days after the opening of the bids, the City will act upon them. The acceptance of a proposal will be either a notice of award, in writing, or an acceptance letter from the Supervisor of Purchases, and no other act shall constitute the acceptance of a proposal. The acceptance of a proposal shall bind the successful bidder to execute the contract within the time and manner as set forth within these contract documents making him responsible and liable for failure to execute as prescribed.

6. Time for Executing Contract and Damages for Failure to Execute - Any bidder whose proposal shall be accepted will be required to appear at the office, where directed to appear in notice of award, in person, or a duly authorized representative of a firm or corporation, to execute the

contract within ten (10) days, including Saturdays and Sundays, of the date of mailing of a notice, stating that the award has been made to him or his firm. Failure or neglect to do so shall constitute a breach of contract for which the City may cancel the notice of award, award the bid to someone else, or rebid the entire project as well as sue for damages.

Damages for such a breach of contract will include but not be limited to the loss of any awarding of work to him and other items whose accurate amount will be difficult or impossible to compute, and all other damages recoverable at law and in equity.

7. Determination of Lowest Responsible Bidder/Award - Except where the Owner exercises the right herein to reject any or all proposals, the contract will be awarded by the owner to the "Lowest Responsible Bidder", as determined under the factors to be considered under section 78-8(m), as amended, of the Middletown Code of Ordinances.

It is the intent of the City to award this contract on a **unit price basis to the lowest responsible bidder(s)** submitting the lowest fixed cost per item to furnish and deliver the listed chemicals complying with the specifications, providing sufficient funds are available to award the contract(s). **The City of Middletown shall reserve the right to award based on whatever is in the best interest of the City.**

8. Partial Bids - Bidders are invited to submit a bid on any one or combination of water treatment chemicals. Partial bids will be accepted.

9. Contract Term - The contract term shall commence on or after **August 1, 2013 and terminate July 31, 2015** for a contract term of twenty-four (24) months.

10. Prices - In the event of discrepancy between the prices quoted in the proposal in words and those in figures, the words shall control. The prices are to include furnishing Water Treatment Chemicals as specified, inclusive of transportation costs necessary to comply with the City's requirements. **Unit prices shall be fixed for the duration of this contract.**

11. Interpretations and Addenda - No oral interpretations shall be made to any bidder as to the meaning of any of the Contract Documents or to be effective to modify any of the provisions of the Contract Documents. Every request for an interpretation shall be made **in writing**, addressed and forwarded to the Supervisor of Purchases, Municipal Building, P.O. Box 1300, Middletown, Connecticut, 06457. **Questions may be sent via fax to (860) 638 1995,**

To receive consideration, such questions shall be submitted in writing no later than **Wednesday, July 17 by noon**. If the question involves the equality or use of products or methods, it must be accompanied by drawings, specifications or other data in sufficient detail to enable the Supervisor of Purchases to determine the equality or suitability of the product or method. In general, the Supervisor of Purchases will neither approve nor disapprove particular products prior to the opening of the bids; such products will be considered when offered by the bidder for incorporation into the work.

The Supervisor of Purchases will arrange as Addenda, which shall become a part of the contract, all questions received as above provided and the decision regarding each. At least five days prior to the receipt of bids, the Purchasing Agent will post a copy of these Addenda to the City of Middletown web site at www.cityofmiddletown.com to download for their records.

Non-receipt of said addenda shall not excuse compliance with said addenda. It is the responsibility of each bidder to determine whether any addenda have been issued and if so whether he/she has received a copy of each. No alleged "verbal interpretation" shall be held valid. Any addenda issued during the bidding period shall supersede previous information.

12. Termination of Agreement - The City reserves the right, if it determines it to be in the best interests of the City to do so, to terminate this Agreement at the end of any full month. If the City exercises this right, it shall terminate this Agreement by giving five days advance written notice to the bidder of such termination in the month in which the termination is to take effect, and in such event, the bidder shall be compensated at the unit bid price for **only** those water treatment chemicals delivered up to the end of that month, at which time this contract shall terminate.

13. Insurance - The selected bidder shall be required to provide a Certificate of Insurance as specified in the attachment "Insurance Requirements". The bidder shall be required to provide evidence of such insurance coverage to the Supervisor of Purchases within ten (10) days from receipt of the Notice of Award. Evidence of such insurance coverage and City approval shall be required prior to execution of the contract document.

14. Time for Performance -

A. Item quantities are based upon anticipated quantities required through July 31, 2015.

B. Items authorized for delivery by the City, by Purchase Order shall be delivered within ten (10) consecutive calendar days of said authorization, with the exception of the **Hydrofluosilic Acid which shall be delivered within five (5) consecutive calendar days.**

C. Failure to meet such required delivery time shall constitute default on delivery and breach of contract and the Owner may then authorize procurement of such equipment/material from the most expeditious alternate source available to them.

D. All excess expenses charged for alternate procurement of defaulted delivery under this contract shall be deducted from monies due the successful bidder on this contract. If no monies are due, then the bidder shall pay to the Owner the difference between the contract price and what the Owner must pay to obtain the item from said alternate source.

15. Indemnification - The successful bidder agrees to indemnify and hold harmless the Owner, its officers, agents, servants and employees against any and all liability, judgments, cost, expenses and other loss, including attorney's fees, and against all claims or actions including but not limited to those based upon or arising out of damage or injury (including death) to persons or property caused by or sustained in connection with any act or omission of the Successful Bidder, its officers, agents, servants and employees in the performance or lack of performance of the services under this contract.

16. Delivery and Payment Terms - Water treatment chemicals to be furnished pursuant to this contract shall be delivered, FOB, hereinafter referred to as Free on Board, freight pre-paid, City of Middletown and shall be an inside delivery unless specified otherwise.

Payment discounts for early payment are preferred. Terms are Net 30 days. The bidder shall submit itemized invoices to the Department Director on a monthly basis. The Department Director shall then review and approve the invoice and forward same to the Finance Department for payment. Payment shall then be made to the bidder no sooner than ten (10) consecutive calendar days from the date the invoice is received by the Finance Department as approved by the Department Director.

17. Quantities - The quantities specified herein are approximate **only** and are **not guaranteed**. They are included to provide the bidder with an estimate of the City's annual requirements pursuant to this contract and to provide a uniform basis for the comparison of bids.

The City of Middletown shall reserve the right to increase or decrease the actual quantities required or to delete them at the time the contract is awarded or at any time thereafter without prejudice toward the quoted bid price if to do so is in the City's best interest.

18. Excise and Sales Tax - Purchases made by the City of Middletown are exempt from the payment of Federal Excise and Connecticut Sales taxes. Such taxes must not be included in the bid prices. Exemption certificates will be provided at

the bidder's request.

19. Firm Pricing - The City of Middletown requires that all bidders provide firm pricing for all those items they are bidding on for the minimum of twenty-four (24) months in accordance with the contract term specified herein.

20. Condition Necessary to Complete Contract to Satisfaction of the City of Middletown - The City shall designate the time, place and amounts of work to be done so as to meet all stipulations as set forth in the Contract Documents. Any contractual agreement made herein between the bidder and the City shall not restrict the City from utilizing other sources of materials and services. If the City chooses to utilize other sources of materials and/or services, this shall not act to negate or void the contract; nor shall employment of such materials or services be used as a basis for the successful bidder to abandon his responsibilities or to claim damages as set forth within the Contract Documents.

21. Warranty - The successful bidder expressly warrants and guarantees that all items furnished pursuant to this contract are of merchantable quality and are fit for the particular purposes for which the City intends to use the items. The Bidder hereby expressly agrees that the warranties contained in Connecticut General Statutes, Sec. 42a-203 2 through 42a-2-35, inclusive as amended, are applicable.

22. Substitutions - Substitutions of any item specified shall not be acceptable to the City of Middletown without prior written authorization.

23. Extension Option - The City of Middletown reserves the right to renew these contracts for up to one (1) additional year provided that existing contract pricing will be held firm for the additional contract period, if to do so is mutually acceptable to the parties. Authorization to renew the contract shall be subject to the discretion of the Supervisor of Purchases who shall prepare the written amendment to the contract for the signature of the Mayor. No other act shall serve as authorization for renewal.

24. Conditional or Qualified Bids - A conditional or qualified bid will not be accepted.

25. Corrections to Bids - Corrections, erasures, additions and or other modifications to the bid form must be noted and initialed by the bidder.

26. Bid Tabulation - A bid tabulation will be furnished to any bidder upon receipt of a self-addressed, stamped envelope which may be submitted with the bid form or forwarded under separate cover.

27. OSHA Requirements - The selected bidder shall be required to comply with the City of Middletown Department of Health requirements with respect to employee and

contractor training, notification and documentation requirements for the handling, packaging and delivery of any chemicals and other hazardous materials to be furnished pursuant to this contract. The requirements of which are incorporated in these specifications by attachment.

28. Material Data Safety Sheets - All bidders submitting a bid shall be required to furnish two (2) copies of the MSDS (Material Data Safety Sheets) with their bid for each of the chemicals they are bidding on.

The bidder shall be required to insert the CAS number (Chemical Abstract Service Number) for each chemical that they are bidding on in the space provided on the proposal pages.

29. Unit of Measure - The bidder shall be required to submit a bid on the unit of measure indicated for each chemical on the bid form. Failure to submit a bid on the unit of measure indicated shall result in the rejection of their bid.

30. Alternate Bids - Alternate bids will not be considered unless specifically called for in the "Invitation to Bid" or on the proposal form. An alternate proposal is defined as one which is submitted in addition to the bidder's primary response to the specified bid proposal. Multiple bid(s) shall not be considered for any item unless specifically requested in the proposal. A multiple bid is defined as more than one response to the same bid by the same bidder whether on a separate bid form or attached to the initial bid response.

An alternate bid will be accepted for the combined shipments of sodium aluminate and liquid alum **only**. Bidders are invited to submit a bid for sodium aluminate to be delivered in single deliveries and or combined shipments as specified in add alternate bid item #15. Bidders are advised that the award for sodium aluminate shall be made to that bidder submitting the lowest unit cost to deliver the sodium aluminate regardless of method of shipment to be utilized. The City of Middletown shall reserve the right to select that award determination for this item that best serves its interests.

31. Facsimile Bids - Facsimile bids will not be accepted by the City under any circumstance.

32. Assignment of Antitrust Claims - The contractor or subcontractor offers and agrees to assign to the City of Middletown all right, title and interest in and to all causes of action it may have under Section 4 of the Clayton Act, 15 U.S.C. §15, as amended, or under Chapter 624 of the General Statutes of Connecticut, as amended, arising out of the purchase of services, property, commodities or intangibles of any kind pursuant to a purchase contract or subcontract made by the City of Middletown. This assignment shall be made and become effective at the time the City of Middletown awards or accepts such contract, without further

acknowledgment by the parties.

33. Americans with Disabilities Act- The contractor/ service provider, in performing this agreement will at all times, comply with the provisions of Title II, the nondiscrimination and access requirements, of the American with Disabilities Act.

34. Equivalent or Equal Items - Bids for equivalent chemicals produced outside of the United States will be accepted by the City subject to the following criteria **only**:

It is the intent of these specifications to remain nonproprietary, except where specifically called for to have certain specially manufactured items fulfill the unique design and or technical requirements. The naming of a manufacturer, model or country of origin is intended to indicate material sources and design conformance requirements, and not to be construed as limiting competition.

Unless limited by the term "no substitute" or "no equivalent", the use of the name of a manufacturer of any particular make, model, brand, or country of origin in describing an item, does not restrict bidders to that manufacturer, specific article, or country of origin, this means being used simply to indicate the character or quality of the article so described, but the article offered must be of such character and quality and include any applicable options, accessories, etc. that it

will serve the purpose for which it is to be used equally as well as that specified, and shall be deemed by the City to be so warranted by the bidder. Bids on comparable items must meet or exceed all **AWWA standards and be approved by the National Sanitation Foundation**. The bidder shall clearly state the exact article being offered including any and all applicable options, accessories, etc., and the bidder shall furnish such other information concerning the article being offered as will be helpful in evaluating its acceptability for the purpose intended. If the bidder does not indicate that the article they offer is other than as specified, it will be understood that the bidder is offering the article exactly as specified.

The City of Middletown shall reserve the right to make the final determination regarding the conformance of any equivalent manufacturer to these specifications and applicable standards. The City further reserves the right to reject any equivalent unit that is determined to be non-conforming, non-equivalent, or does not meet applicable standards as above described.

35. Right of Cancellation: - The City of Middletown shall reserve the right to cancel this request for bid, without penalty at any time prior to the date established for the receipt of bids. If the City exercises his right all bidders shall be notified by written addendum to this contract.

**PURCHASING DEPARTMENT
CITY OF MIDDLETOWN
BID ATTACHMENT**

The bidder agrees to abide by the following ordinances executed by the Common Council of the City of Middletown:

Ordinance amending Section 78-8-M of the City of Middletown Code of Ordinances shall be used in determining the lowest responsible bidder for this contract. For your information, the ordinance reads as follows:

CHAPTER 78

SECTION 78-8-M BID PREFERENCE FOR LOCAL VENDORS.

1. Definitions: as used in this section, the following terms shall have the meanings indicated:

CITY-BASED BUSINESS- A business with a principal place of business located within the City of Middletown. A business shall not be considered a City-based business unless evidence satisfactory to the purchasing Supervisor has been submitted with each bid submitted by said business to establish that said business has a bona fide principal place of business in Middletown. Such evidence may include evidence of ownership of or a long-term lease of the real estate from which the principal place of business is operated, or payment of property taxes on the personal property of the business to be used in performance of the bid.

PROJECT- All bids, and all quotes solicited for purchases exempted from bidding pursuant to § 78-8, as amended, except requests for proposal and contracts for professional services pursuant to § 78-10, as amended.

2. On any project the lowest responsible bidder shall be determined in the following order:

- a. City-based bidders.

(1) On projects the cost of which are one million dollars total contract price or less, any City-based bidder which has submitted a bid not more than 10% higher than the low bid, provided such City-based bidder agrees to accept the award of the bid at the amount of the low bid. If more than one City-based bidder has submitted bids not more than 10% higher than the low bid and has agreed to accept the award of the bid at the amount of the low bid, the lowest responsible bidder shall be that one of such City-based bidders which submitted the lowest bid.

(2) On projects the cost of which are over \$1,000,000 but less than \$ 5,000,000 total contract price, any City-based bidder which has submitted a bid not more than 5% higher than the low bid, provided such City-based bidder agrees to accept the award of the bid at the amount of the low bid. If more than one City-based bidder has submitted bids not more than 5% higher than the low bid and has agreed to accept the award of the bid at the amount, of the low bid, the lowest responsible bidder shall be that one of such City-based bidders which submitted the lowest bid.

(3) On projects the cost of which are over \$5,000,000 total contract price, and City-based bidder which has submitted a bid not more than 3% higher than the low bid, provided such City-based bidder agrees to accept the award of the bid at the amount of the low bid. If more than one City-based bidder has submitted bids not more than 3% higher than the low bid and has agreed to accept the award of the bid at the amount of the low bid, the lowest responsible bidder shall be that one of such City-based bidders which submitted the lowest bid.

- b. The low bidder. (2/8/78, 12/2/02)

CHAPTER 26, CONTRACTS

ARTICLE I--EQUAL OPPORTUNITY IN EMPLOYMENT.

26-1 Contract Provisions Required

Every contract made by or on behalf of the City of Middletown for the construction, lease, alteration or repair of any public building or public work, or for the purchase, manufacture, sale or distribution of materials, equipment or supplies shall contain provisions providing for equal opportunity in employment.

26-2 Enforcement Officer

The Human Relations Director, who is the City's Affirmative Action Officer, shall have the authority to enforce this ordinance.

26-3 Provisions to be Included

- A. Every contract for the construction, alteration or repair of any public building or public work shall contain the following provisions approved by the Human Relations Director:

The contractor agrees and warrants that in the performance of this contract he will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, sex, marital status, transgender status, gender identity or expression, national origin, ancestry, sexual orientation, intellectual disability or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved, political belief, Vietnam Era Veteran status, Union membership, genetic History, criminal record (unless the provisions of Section 46a-60, 46a-80(b) or 46a-81 of the Connecticut General Statutes are controlling or there is a bona fide occupational qualification excluding persons in one of the protected groups) present or past history of mental or physical disability, or sexual orientation in any manner is prohibited by the laws of the United States or of the State of Connecticut or the City of Middletown in any manner prohibited by the laws of the United States, the State of Connecticut, or the City of Middletown. The contractor also agrees to provide the Affirmative Action Officer of the City of Middletown with such information that may be requested concerning the employment practices and procedures of the contractor as related to the provisions of this article.

- B. The aforesaid provision shall include, but not be limited to, the following: advertising, recruitment, layoff, termination, rates of pay or other forms of compensation, conditions or privileges of employment selection for apprenticeship, selection or retention of subcontractors, or in the procurement of materials, equipment or services.

26.4 Notices to be posted on project site.

The contractor shall hereinafter post on the project site, in conspicuous places available for employees and applicants for employment, notices setting forth its non-discrimination requirements.

26.5 Subcontractors and Suppliers

In all pre-contractual contracts between contractor and any subcontractor or supplier either for work to be performed under a subcontract or for the procurement of materials, equipment or services, each subcontractor or supplier shall be notified in writing by the contractor of the contractor's obligations under this contract relative to non-discrimination and each subcontractor or supplier, by his contracting agent, shall agree to and be bound by the terms of this Contract.

26.6 Effect on other laws

Nothing contained herein is intended to relieve any contractor from compliance with all applicable federal, state and municipal legislation or provision concerning equal employment opportunity, affirmative action, non-discrimination and related subjects during the term of its contract on this project.

(4/7/80; 3/8/93, 11/1/02, 2/3/03)

ARTICLE III ADEQUATE DELIVERY OF SERVICE

26-11 Provisions to be incorporated

All service contracts entered into for the benefit of the citizens of Middletown between the City of Middletown and contractors shall incorporate the following provisions:

- A. A description of the services provided under the contract.
- B. The name, address, and proof of agreement between a second agency which could step in at a moment's notice should the contracting agency not be able to fulfill its designated service.
- C. The contracted agency will be held responsible both financially and administratively with respect to the provision of backup services in the event the agency could not fulfill its contract obligations for Middletown citizens in accordance with the contract with the City.
- D. A twenty-day advance notification period is required of each agency to inform the City of an expected interruption of services per its contracts. (11/1/02)

- a list of the specific chemicals and other hazardous materials (dust, fumes, gases, etc.) that may generated at the specific work site;
- the Material Safety Data Sheet (MSDS) that accompany the specified chemicals;
- the control measures to be implemented to ensure proper safety.

Contractors and sub contractors must not bring any substances which may be considered hazardous without prior consent of the City of Middletown. Contractors and subcontractors will not use or dispose of in any manner substances which may be considered hazardous within the facility without prior written consent of the City. The City will consider the following factors in the determination to allow the use of any hazardous substance by contractors and subcontractors:

- relative hazards of its use;
- availability of substitutes;
- disposal of substances; and
- the potential for employee exposure.

Any equipment used by the contractor and subcontractor in areas where flammable materials are stored or processed must be explosion proof. Questions concerning chemicals or equipment that may be hazardous should be addressed to the department head or designee. **The contractor shall be responsible for ensuring the compliance of all subcontractors with the above requirements.**

The City of Middletown will provide the contractors and contractor personnel with appropriate information and training. Information and training will include the following:

- potential chemical and physical hazards for the area in the contract operations are being conducted;
- location and availability of Material Safety Data Sheets;
- detection of the presence of hazardous materials;
- facility precautions and safety procedures;
- emergency information concerning location of emergency/first aid equipment;
- hazardous chemical labeling system.

Contractor personnel must sign the accompanying statement that verifies that they have received and understand the information presented.

1. Information about the physical and health hazards of chemicals in the designated work area.
2. The location and availability of the Material Safety Data Sheets for hazardous chemicals in the designated work area.
3. Detection of the presence of hazardous materials in the designated work area.
4. Precautions and safety procedures which must be followed in the designated work area.
5. Emergency procedures in the event of accident exposures to hazardous materials, including emergency phone numbers and the location of safety requirement.
6. Hazardous chemical labeling systems in use in the designated work area.
7. The appropriate locations and directions to where employee may eat, drink, smoke, and use sanitary facilities.

Part 2

The following substances in the bid proposal pages are the complete list of hazardous substances, as approved by the City, which may be brought onto the facility to complete the work contracted. I understand that:

1. My company and subcontractors will not bring onto this facility any other substances considered hazardous without the prior consent of the City.
2. The following substances and disposal methods have been approved by the City.
3. My company or subcontractors may not dispose of by sewer, by garbage dumpster, by burning, or any other disposal method in the designated work area, any other substances which may be considered hazardous.

4. I have been given the locations in which contract operations will take place to my employees and subcontractors and that they understand how to evacuate safely from these areas in the event of any emergency.
5. Company employees and subcontractor's employees have been given an opportunity to ask questions about the Hazard Communication Standard and to have those questions answered.

I have read and understood the above statements and my company will comply fully.

EXHIBIT A - INSURANCE REQUIREMENTS

BID# 2013-021 PURCHASE OF VARIOUS WATER TREATMENT CHEMICALS WATER AND SEWER DEPARTMENT

A. GENERAL REQUIREMENTS:

The **BIDDER** shall be responsible for maintaining insurance coverage in force for the life of this contract of the kinds and adequate amounts to secure all of the **BIDDER'S** obligations under this contract with an insurance company(ies) with an AM Best Rating of A- VIII or better licensed to write such insurance in the State of Connecticut.

The insurer shall provide the City of Middletown with original completed **Certificates of Insurance signed by an authorized representative of the insurance company(ies)** prior to purchase order/contract issuance. The **BIDDER** also agrees to provide replacement and/or renewal certificates at least thirty (30) days prior to the expiration of each policy.

Such insurance or renewals or replacements thereof shall remain in force during the **BIDDER'S** responsibility under this contract.

The **BIDDER**, at their own cost and expense, shall procure and maintain all insurances required and shall name the City of Middletown as Additional Insured on all contracts, except Workers' Compensation and Professional Errors & Omissions coverage. Coverage is to be provided on a primary, noncontributory basis. Upon request, the **BIDDER** shall provide a copy of the policy endorsement confirming the additional insured status of all parties required to be named in accordance with the terms of this contract.

In order to facilitate this requirement for insurance, it is recommended that the BIDDER forward a copy of these requirements to their insurance representative(s).

B. SPECIFIC REQUIREMENTS:

(1) Workers' Compensation Insurance -

The **BIDDER** shall provide Statutory Workers' Compensation Insurance, including Employer's Liability with limits of:

\$100,000 Each Accident
\$500,000 Disease, Policy Limit
\$100,000 Disease, Each Employee

If the **BIDDER** does not have any employees and therefore is not required by law to carry this coverage, the City, in lieu of said coverage, will require the **BIDDER** to execute the City's Indemnification & Subrogation Agreement Form made available by the City's Risk Manager.

(2) Commercial General Liability Insurance -

The **BIDDER** shall carry Commercial General Liability insurance (Insurance Services Offices Incorporated Form CG-0001 or equivalent). A per occurrence limit of \$1,000,000 is required. The Aggregate Limit will be not less than \$1,000,000. Any deviations from the standard unendorsed form will be noted on the Certificate of Insurance.

(3) **Business Automobile Liability Insurance -**

The **BIDDER** shall carry Business Automobile Liability insurance (Insurance Services Office Incorporated Form CA-00001 or equivalent). A combined single limit each accident of \$1,000,000 is required. "Any Auto" (symbol 1 or equivalent) is required. Any deviations from the standard unendorsed form will be noted on the Certificate of Insurance.

C. SUBCONTRACTOR REQUIREMENTS:

The **BIDDER** shall require the same insurance that it is required to carry by the City of Middletown to be carried by any subcontractors and independent contractors hired by the **BIDDER** and to obtain **Certificates of Insurance** before subcontractors and independent contractors are permitted to begin work.

The **BIDDER** shall require that the City of Middletown be named as Additional Insured on all subcontractors and independent contractors insurance before permitted to begin work. Coverage is to be provided on a primary, noncontributory basis.

The **BIDDER** and all subcontractors and independent contractors and their insurers shall waive all rights of subrogation against the City of Middletown and its officers, agents, servants and employees for losses arising from work performed by each on this contract.

D. OTHER

- If any policy is written on a "claims-made" basis, the policy must be continually renewed for a minimum of two (2) years from the completion date of the work/service performed under this contract. If the policy is replaced and/or the retroactive date is changed, then the expiring policy must be endorsed to extend the reporting period for claims for the policy in effect during the contract for two (2) years from the completion date.
- The City reserves the right to amend amounts of coverage required and types of coverage provided based on work or service to be performed.
