Pre-bid Meeting Minutes For
BID #2016-011- Francis T. Patnaude Inter-Municipal Pumping Station
Mattabassett Regionalization Project – CT-DEEP CWF-487C

Date: Tuesday, June 14, 2016 at 10:00 am
Adjourned: 10:45 am with a site visit that followed
See List of attendees

Business

Donna Imme, Purchasing Supervisor, opened the meeting and discussed the following:

- Engineers estimate construction cost for the entire project is approx. 26.5 million dollars.
- The contract will be awarded to the lowest responsible bidder as described and stated in the **"Information for Bidders" section 1.11** of the bid document.
- Contractors shall hold prequalification certificate from the State Department of Administrative Services (DAS). If not certified, application can be made to DAS.
- State of Connecticut DOL and Davis Bacon Act prevailing wage rates apply to this project.
- Due to the Project's funding source, Local Bidder Acceptance **DOES NOT APPLY.**
- All construction work shall be covered by a PLA as described in Exhibit H of the bid document
- All questions shall be submitted to the Supervisor of Purchases via fax 860-638-1995 or email purchase@middletownct.gov. The deadline for receipt of questions is **Friday, July 15, 2016 by noon.** Answers to questions submitted will be included and posted on the City of Middletown website and/or in a future addendum.
- All further information, Addenda's, pre-bid meeting minutes; Q & A's, and a planholder list, etc. shall be posted to the City's website. Bidders shall be responsible for checking the website for all additional information and all addenda's issued and shall also acknowledge the addenda in their bid where indicated on the proposal pages. Website is www.middletownct.gov
- Out of State Contractors submitting a bid, please see "Information for Bidders" under 1.9 (e) "Tax Bonds" explaining the procedures required to follow.
- A Bid bond in the amount of 5% of the total bid is required with all bid submittals.

- Work shall be substantially **completed within seven hundred thirty (730) consecutive calendar days** from the receipt of the Notice to Proceed.

- Plans/Specs/CD of Supporting Documents are available for a $300.00 deposit (cash, certified check or company/business check only) and is refundable if the plans/specs are returned in good condition within two weeks of bid opening. The plan holders list is posted on the City's website and updated daily at www.middletownct.gov A copy of "plans" only are also available online.

- A contractor checklist is included in the bid listing all required bid proposal forms to be submitted. In addition, a separate packet inclusive of all required bid proposal forms to be submitted is provided.

- The bid opening date is **Thursday, July 28, 2016 at 11:00 am**, Municipal Building, Council Chambers, 245 DeKoven Drive, Middletown, CT

Donna Imme then introduced Guy Russo, the Director of Water & Sewer Director which stated the following:

- The Director and the City of Middletown began planning for this project around February 1995.
- Feasibility Study, Facility Planning, 10 yr negotiation with the District followed by enactment of special legislation to membership
- Design for maximum operational flexibility
- Three buildings are original wastewater treatment plant c. 1938, incinerator and fire training tower.

Following Mr. Russo's comments, Mark Kopchak, Project Manager from CDR Maguire was introduced and summarized project highlights.

Attendees were reminded that questions asked during the prebid meeting are to be submitted in writing to the Purchasing Department. Once received, they will be reviewed, addressed and answered in future addendum(s).

Meeting adjourned at 10:45 am and site visit followed:
