Health Care

Middletown HALF

February, 2015

Dear Resident:

The Harvard Pilgrim Middletown Half will be held on **Sunday, April 12th, 2015** in Middletown.

Please be aware of street closures and traffic delays between the hours of 11:30 a.m. and 3:30 p.m. Main Street between William Street & Union Street will be closed between the hours of 7:30 a.m. and 5:00 p.m.

The race route map is contained on the reverse side of this letter. All streets directly on the route or intersecting with the route will be impacted.

We ask that you seek alternative routes for your travels during this time if at all possible. If you must drive on the route, please use extreme caution as 1500+ athletes will be running on the roads. Police and volunteers will assist athletes and residents at intersections.

If you have a particular need to access the affected roads during the race, please call our Technical Director: Josh Miller to make arrangements. He can be reached at (860) 652-8866 ext. 7 or by email: Josh@hartfordmarathon.com.

We are working closely with the city of Middletown and related parties in planning this great community event and invite you to join us as a participant or volunteer. If you and your family would like to volunteer, please visit www.hartfordmarathon.com and click on the Harvard Pilgrim Middletown Half for details and registration.

Thank you in advance for your anticipated cooperation and support.

Best Regards,

Beth Shluger
Race Director
